Corporate Overview

- Founded in 2008 as a Maryland corporation
- Headquartered in Maryland State.
- We have a Top-Secret Facility Clearance.
- DCAA compliant accounting system.
- CMMI Level 3 for Services.
- CMMI Level 3 for Development.
- SDVOSB, 8(a), HUBZone **Certified**.
- Scalable Human Resources Capabilities.
- \$1 Million Dollar SBA Line of Credit.
- Cybersecurity Maturity Model Certification Level 3.

Core Capabilities

- Cyber Security and Information Assurance
- Cloud Services
- DEVSECOPS –Open Source
- Artificial Intelligence (AI)
- Machine Learning (ML)
- Program Resource Management Support
- Data Analytics
- Grants and Financial Management
- Agile Development & Project Management
- Government Acquisitions

DoD Customers

Civilian Customers

Small Business Certifications

- SBA Approved Mentor Protégé Agreement with Contegix
- SBA Certified 8(a) Graduation December 24, 2024; Case No. 306460
- SBA Certified HUBZone Office
- Department of Veterans Affairs, Center for Veteran Enterprise (CVE), Service-Disabled Veteran Owned Small Business (SDVOSB)
- Veteran Owned Small Business (VOSB)
- Small Business (SB)
- Small Disadvantaged Business (SDB)

GSA Contract Vehicles

GSA MAS Schedule (GS00F344CA), SINs:

518210C – Cloud and Cloud Related IT Professional Services
522310 – Financial Advising, Loan Servicing, and Asset Management Services
541211 – Auditing Services
541219 – Budget and Financial Management Services
54151S – Information Technology Professional Services
54151HEAL – Health IT Services
54151HACS – Highly Adaptive Cyber Security Services
541611 – Management and Financial Consulting, Acquisition and Grants Management Support, and Business Program and Project Management Services
541990RISK – Risk Assessment and Mitigation Services
561450 – Business Information Services (BIS)
611430 – Professional and Management Development Training
611512 – Flight Training Includes aviation and flight training

Awarded all five (5) SIN Subgroups for 54151 HACS

High Value Asset Assessments
Risk and Vulnerability Assessment (RVA)
Cyber Hunt
Penetration Testing
Incident Response

Professional Certifications

- Top Secret Facility Clearance
- CMMI Level 3 Appraised (ISO 9001 and 27001 in process)
- Project Management Professional (PMP)
- Certified Amazon Web Services Professionals (AWS)
- Certified Information Systems Security Professional (CISSP)
- Certified Developers for Agile and SCRUM
- Certified Information Systems Security Manager (CISM)
- Certified Information Systems Auditor (CISA)
- Certified Governance of Enterprise Information Technology (CGEIT)
- Certified in Risk and Information Systems Control (CRISC)
- Certified Public Accountants (CPAs)
- Certified Internal Auditors (CIAs)

Past Performances

1. Department of Navy, Office of Naval Research (ONR) Grants Support Processes (2 Prime contracts, 1 extension)
2. HHS/CMS New Medicare Card National Program Support of SSN Removal (Prime Contract)
3. CMS Project Management BPA (Prime Contract)
4. HHS/ACF Grants Risk Management BPA and Task Order and Additional Contract (Prime Contract)
5. USAF's 57th Intelligence Squadron (57 IS), Air Combat Command (ACC) at Lackland Air Force Base (AFB) (Prime Contract)
6. Department of Veterans Affairs, National Office of Small Disadvantaged Business Utilization (OSDBU) (Prime Contract)
7. Department of Veterans Affairs, National Office of Small Disadvantaged Business Utilization (OSDBU) (Prime Contract)
8. Air Force Civil Engineer Center (AFCEC) in Acquisition Management Support Services, GSA Region 7 Acquisition Support (Prime Contract)

Past Performances

9. GSA OCFO Office of the Budget (Prime Contract)
10. The Department of Transportation (DOT), Chief Technology Office Support Contract (OCTO) (Prime Contract)
11. HHS OCIO SSAE18 Audit of the Enterprise Human Resources Payroll (EHRP) application for HHS OCIO (Prime Contract)
12. HHS/PSC Payment Management Systems (PMS) Grants Reporting Portal Modernization (Subcontract)
13. U.S. Army Medical Research Institute of Chemical Defense (USAMRICD) (Prime Contract)
14. The National Institutes of Health (NIH), Fogarty International Center (FIC) (Prime Contract)
15. Defense Information Systems Agency (DISA) (Subcontract)
16. National Security Agency (NSA) (Subcontract, Contegix)

Past Performance 1

Department of Navy, Office of Naval Research (ONR) Grants Support Processes (2 Prime contracts, 1 extension)

Platinum provides the Office of Naval Research (ONR) grant post-award administration on contracts and grants with universities and nonprofit research organizations. Our grant support services include; grant payment administration, closeout, purchasing system reviews and updates, negotiation of indirect cost rate agreements, quality assurance, grant monitoring performance, grant report submission, property administration, electronic invoice processing, and other efforts under awards to those institutions.

Past Performance 2

HHS/CMS New Medicare Card National Program Support of SSN Removal (Prime Contract)

Platinum as the prime contractor supporting the New Medicare Card policy changes for CMS. Using Agile processes, Platinum stood up a cloud-based Amazon Web Service (AWS) and Atlassian JIRA Confluence service. Our support included implementing changes for the New Medicare Cards. This work benefited for 58 million Americans. We provided national advisory support and technical expertise regarding medical, health care operations, health care data analysis, and national health policy development for CMS, SSA and OMB.

Past Performance 3

CMS Project Management BPA (Prime Contract)

As a prime contractor, Platinum supports the CMS Project Management streamlined processes for P/PM that includes, but is not limited to, project management and development of plans, products, and deliverables that impact the Agency's most mission-critical activities to identify and mitigate risk to the Agency's programs. These efforts include the creation and maintenance of integrated project schedules, reports, and/or other templates in support of CMS project-based requirements.

Past Performance 4

HHS/ACF Grants Risk Management BPA and Task Order and Additional Contract (Prime Contract)

Platinum was awarded a prime contract for the Administration for Children and Families (ACF) for Grants Risk Management & Emergency Preparedness Budget Support for \$4.3 million. Platinum supports the ACF Office of Grants Management (OGM) and the Office of Human Services, Emergency Preparedness and Response (OHSEPR) in the administration risk management expertise to support the Office of Grants Management in assessing and improving its internal control environment and business processes in order to promote the efficiency and effectiveness of grants management operations.

Past Performance 5

USAF's 57th Intelligence Squadron (57 IS), Air Combat Command (ACC) at Lackland Air Force Base (AFB) (Prime Contract)

Platinum is a prime contractor supporting the USAF's 57th Intelligence Squadron (57 IS), Air Combat Command (ACC) at Lackland Air Force Base (AFB). We support the 57 IS mission for technically documenting the United States and friendly foreign electromagnetic systems parametric data, the weapon system characteristics performance and electronic fit analysis, and the documentation of airborne target signatures.

Past Performance 6

Department of Veterans Affairs, National Office of Small Disadvantaged Business Utilization (OSDBU) (Prime Contract)

As a prime contractor, Platinum supports the VA OSDBU Direct Access Program's (DAP's) mission to facilitate the planning, scheduling, and execution oversight of all Direct Access Events (to include national, regional, and local) for VA program offices, using project management protocols. We directly support the DAP mission by providing project management, consultation, operational event logistics for Business Engagement Center (BEC) events, administrative, and customer relationship management support to the DAP among stakeholders to promote and facilitate strategic planning and forward-thinking.

Past Performance 7

GSA Region 7 Acquisition Support (Prime Contract)

As a Prime contractor, Platinum provides GSA Acquisition Management Support Services to a variety of program support functions including procurement assistance, administration, management, transportation support to ensure delivery, micro-purchase level order entry, and technical assistance of contracts and task orders of various types and complexity to support the Assisted Acquisition Services (AAS). Our staff exceeds deadlines provided to them for various work projects. We have created numerous efficiencies and streamlined the process and overall support to Region 7's AAS mission. Platinum's Team Leader coordinates the staff well to meet GSA needs in a timely manner.

Past Performance 8

Air Force Civil Engineer Center (AFCEC) in Acquisition Management Support Services, GSA Region 7 Acquisition Support (Prime Contract)

Platinum provides an Environmental Engineering support to the Air Force. Our Environmental Engineer experience includes building and developing Air Force Environmental compliance scopes of work and independent government estimates. The environmental compliance scoped of work including Air Quality compliance, development and implementation of various environmental sampling plans, environmental fence to fence projects, or other environmental experiences.

Past Performance 9

GSA OCFO Office of the Budget (Prime Contract)

Platinum worked closely with GSA OCFO to improve GSA's ability to meet budgetary requirements by supporting budgetary process engineering, budget systems analysis, improvement efforts for Federal budget requirements, and creating budgetary reports for managers and business offices across the agency. Platinum played a key role in supporting GSA efforts by assisting with the development of WCF Governance and cost allocations and was instrumental in the development of guidance and requirements for the FY 2016 Presidential Budget.

Past Performance 10

The Department of Transportation (DOT), Chief Technology Office Support Contract (OCTO) (Prime Contract)

Platinum is currently supporting the Federal Motor Carrier Safety Administration (FMCSA) in their mission by providing a full and complete range of technical and professional support to FMCSA to assist with all aspects of analyzing, planning, and monitoring of the implementation, managing, reporting, and otherwise supporting FMCSA's information technology investments and information management requirements. Platinum analyzes, communicates, implements, and evaluates all Federal and industry IT-related policies, procedures, standards, guidance and other related policy documents, best practices, or tools.

Past Performance 11

HHS OCIO SSAE18 Audit of the Enterprise Human Resources Payroll (EHRP) application for HHS OCIO (Prime Contract)

Platinum examined the operating policies, procedures, and tests for effectiveness of operation, which included examining and testing applicable controls of the Office Chief Information Officer (OCIO) of the Office of the Secretary (OS)/Division of Enterprise Application Development (OEAD). Our work supported SSAE 18 routine audits of the NIH CIT data center interface for HHS and NIH information security and privacy program. The Office of Inspector General (OIG), the Government Accountability Office (GAO), and the Department of Health and Human Services utilized our SSAE18 audit.

Past Performance 12

HHS/PSC Payment Management Systems (PMS) Grants Reporting Portal Modernization (Subcontract)

Platinum led the business process re-engineering effort that was the groundwork for HHS Grants Re-imagine and ReInvent. Our work supported the HHS review for the Data Act and USA Spending to support that integration of Federal e-commerce processes for grant awards, payments and accounting, such as grant financial reporting. We supported the HHS/PSC in achieving this by embracing 21st century architectures, agile development and user-centric design approaches.

Past Performance 13

U.S. Army Medical Research Institute of Chemical Defense (USAMRICD) (Prime Contract)

Platinum supported the USAMRICD's bio-medical mission is to discover and develop medical products and knowledge solutions against chemical and biochemical threats through research, education, and training, and consultation. Platinum supports USAMRICD's biomedical research for health sciences that supports by performing studies and analyses and providing operational, technical, and administrative services for the systems, subsystems, and equipment.

Past Performance 14

The National Institutes of Health (NIH), Fogarty International Center (FIC) (Prime Contract)

Platinum was awarded a cyber security/information assurance prime contract to the Fogarty International Center (FIC). FIC is dedicated to advancing the mission of the National Institutes of Health (NIH) by supporting and facilitating global health research conducted by U.S. and international investigators, building partnerships between health research institutions in the U.S. and abroad, and training the next generation of scientists to address global health needs. The FIC has seven (7) systems that need to undergo Security Authorization and Assessment (SA&A) testing procedures by a third party to receive an Authorization to Operate (ATO) by NIH.

Past Performance 15

Defense Information Systems Agency (DISA) (Subcontract)

Platinum was awarded work to support Agile and Scrum project support best practices derived from multiple Agile methodologies, including Scrum, Kanban, Lean, XP, and a widely acknowledged Scaled Agile Framework (SAFe)® recognized for applying Lean-Agile practice at the enterprise scale. Team Platinum's Agile Framework recognizes that several Agile methods can be used successfully to deliver projects. We integrate the adoption of Scrum and Agile Engineering Practices for Agile Teams. Our Agile project support is an iterative and incremental Agile project management and software development framework for managing product development.

Past Performance 16

National Security Agency (NSA) (Subcontract, Contegix)

Platinum was awarded a contract to support JIRA support. Platinum configures and develops a workflow to track and manage the development, implementation, and updates. We also implement JIRA and Confluence to track the input processing and reporting of data submitted by organizations. JIRA and Confluence create traceability between project documentation, artifacts, and the underlying project tasks. Platinum provides full access to stakeholders to view project tasks, documentation, and data analytics/project reports.
